18.12.24 - Rock Steady Concert (letter to follow)

TBC - EYFS Breakfast with Santa (information to follow)

TBC - PTA Disco (information to follow)

20.12.24 - Term ends (3.30pm)

English

Through our English units, we will be developing our use of descriptive language to improve our narrative writing and setting descriptions. We will be using the wordless picture book 'The Whale' to focus our writing about a nautical theme, looking at how we can describe different sea settings.

Maths

In our Maths, we will be starting the term by building on our Place Value knowledge from Year 3, moving on to exploring numbers up to 10,000 and looking at different representations for these numbers. We will then be moving on to looking at different mental and written methods to support us with completing addition and subtraction calculations.

Wider Curriculum

This half term we will be focusing on the growth of Coventry in our Humanities, looking at how the city's industry has changed over time before then exploring life in Britain from the Stone Age to the Iron Age. In our Science, we will be looking at the digestive system and exploring how humans digest the food that we eat before then exploring different living things and their habitats..

Challenge

Pick a times table that you are finding challenging and practise it on TTRockstars.
